## Introduction

### About this report:

In light of recent events with COVID-19, we want to make sure that we continue to provide a high level of service to both our landlords and tenants.

Although property visits may not be possible at this time due to social distancing and self-isolation, it has still been possible to carry out a telephone inspection with the tenants via this questionnaire. This will help us to keep on top of any maintenance/issues and plan works accordingly with contractors.

### How was this form completed with the tenant?

Over the telephone
